V85 TT TRAVEL 850 FEATURES

Born To Travel, And Travel Far.

The Moto Guzzi V85 TT Travel is an intrepid explorer that makes no secret of the fact that it's all about turning every moment in the saddle into a great trip. The standard complete kit makes that very clear, from the protective Touring windshield to the heated seat and handles to the rigid side bags with their generous capacity. A comprehensive electronic and multimedia package not only increases riding safety and pleasure but also underlines the bike's medium- and long-range voyage credentials. It doesn't matter how far away the destination, it's all about the fun getting there.

Equipped for every situation

The Moto Guzzi V85 TT Travel is always poised to take off, complete with baggage and a passenger, whatever the period of the year. That's because it comes with the most comprehensive standard kit package of the entire V85 range, including remote preload adjustment of the rear shock absorber, heated seat and handles, a higher than normal Touring windshield for greater protection, and Urban side bags (the right hand bag has a capacity of 37 litres and can hold a full-face helmet, while the other h

Exceptional standard electronic package

The Moto Guzzi V85 TT Travel comes with 6-axis inertial platform with ABS Cornering and Cruise Control. Also included is Moto Guzzi MIA, the multimedia system that connects your smartphone to the bike and extends the instrument panel functions. It also activates the Custom riding mode, adding a fifth option to the existing Road, Sport, Rain and Off-road settings. This comes as standard only on the V85 TT Travel and lets the rider set power output, Traction Control and ABS.

Designed for travelling

Designed for travelling

The Moto Guzzi V85 TT Travel is designed to let you experience the trip you've always dreamed of. You'll understand this as soon as you lay eyes on the 23-litre fuel tank and features such as side deflectors and an extra-high, vertically-adjustable windshield that delivers maximum protection on motorways and in cold weather.

Standard extras

The V85 TT Travel has everything you need for a memorable trip, including a Touring windshield, heated grips and seat and Urban side bags with plenty of capacity as standard issue.

Standard extras

Shock absorber

The V85 TT Travel is fitted with a shock absorber with adjustable preload knob which can be adapted as per your preference for an impeccable riding experience.

Shaft drive

Robust, reliable and incredibly smooth: the Moto Guzzi V85 TT Travel shaft drive transfers every horsepower to the rear wheel with precision, with no chains to lubricate and no adjustments required. Minimal maintenance, maximum riding freedom.

Engine

The engine is the mighty 90° transverse V air-cooled, E5+ 850-cc twin cylinder, with pushrod distribution and rocker arm plus two valves per cylinder. Variable timing offers gutsy torque, even at low speeds (90% of torque available at 3500 rpm) and max power of 80 horsepower at 7750 rpm. Ride-by-Wire accelerator control delivers impeccable feeling.

High-tech instrument panel

On top of the easy-to-read, user-friendly 5” TFT colour instrument panel and full-LED lighting package, the V85 TT Travel offers five Riding Modes (Sport, Road, Rain, Off-road and Custom), 6-axis inertial platform, ABS Cornering and Traction Control. Last but not least, Cruise Control lets you set a speed that is activated with a press of a button and then maintained without needing to use the accelerator, leaving you free to focus on your trip.

Moto Guzzi M.I.A

Moto Guzzi M.I.A

Moto Guzzi MIA, a multimedia platform that connects your bike to your smartphone, comes as standard on the V85 TT Travel and includes a host of special features that make it easier to manage calls, listen to your playlist, navigate and keep an eye on the vehicle’s various functions.

Brakes

The V85 TT’s precise braking comes courtesy of a combination of a Brembo monobloc radial calliper up front and single Ø260-mm disc at the back, meaning you can enjoy every kilometre in absolute safety.

Brakes

Tubeless tyres

Tubeless tyres

Cross-spoked wheels with tubeless tyres set you up to take on a fantastic range of terrains and deliver a grunty riding experience even on the most uneven surfaces.
